

## Unity Group Practice: KBDM Workshop, Part 2

April 8, 2023

### " Mock" Business Meeting practice instructions:

You will practice the KBDM process with this example. Take 30 minutes to verbally explore the concern below as a group in a "mock" Business Meeting. Consider the KBDM "4 Questions" as you discuss. We will stop after the practice and re-group to talk as a large group about your experience. **Note: This practice isn't about the topic per se, it is to practice the KBDM process.**

Please select:

- One member to be the spiritual timekeeper,
- One member to "chair" the KBDM process,
- One person to take notes.

Be aware: It's fine if aspects of the discussion don't fit into one of the 4 questions of KBDM – just make sure you have covered all 4 questions.

**Concern:** How do we carry the message about sponsorship in our meeting's format? What should we do to encourage sponsorship?

### Assumptions for role play

Background:

- Our meeting is part of the Unity phone bridge group of meetings. We generally have 4-5 newcomers per meeting.
- We have between 30 and 40 members regularly attending our phone meeting.
- 1 facilitator; separate note-taker; spiritual timer times each share for 2 minutes and the entire group practice for 30 minutes.
