

After Meetings/Fellowship Time Boundaries on This Bridge

This is being considered for the benefit of the newcomer...

- Approximately 25 minutes after the scheduled meeting ends the phone line will shut down; Until 10 minutes before the next scheduled meeting happens. And then again shut down 25 minutes after that meeting and so on.
- The Time after the meeting was designed for the newcomer to get guidance.
- This Bridge is not an open chat room. Unfortunately the after meeting at times is not focused on the newcomer and also can be a place of, “The Three Obstacles to Success” in Al-Anon (pg. 24 Al-Anon Alateen Service Manual). Although this is not every after meeting gathering by far, the times it does occur has created disrespect, misinformation and dissention for newcomers and the general purpose of this bridge.
- This bridge is and was created to help people recover via structured meetings and a short time after to assist in connections to each other.
