

## Saturday Meeting for Collective Talk

Hello everyone... I am going to chair the meeting every Saturday at 2:00 pm till 3:30pm except the 2<sup>nd</sup> Saturday of the month to get us back on track to cooperating.

I am the one with all the information and it is time for me to step up to having more of the peace we can and do enjoy with the “building on the web” we share.

Someone came up with a great way of putting this is.... This is a “Bridge Tech Service Meeting.” ...; Not a group conscience meeting. It is just a time to work out the sharing of the “building “. Security and etc. ...

Please come... I am committed to this... it seems no choice at this point. Let come together and be kind and take care of this. It is worth it.
