

Thursday 8pm - Technical Information
For the Secretary/Chair to read before leading a phone bridge meeting

As the Secretary/Chair for this meeting you will be given a “leader code” that will give you more features on the key pad than other members.

Here is some information that will help before dialing into the meeting once you have been given the leader code.

- 1. Dial the phone number and then use the regular pin number followed by the # sign that everyone else uses.**
- 2. There will be a voice prompt after entering the regular pin # that says **“IF YOU ARE THE MODERATOR PLEASE PRESS 1.”****
- 3. **Follow the prompt** and **Press 1**. The word “moderator” and “leader” mean the same thing.**
- 4. The voice prompt will again say **“PLEASE ENTER THE MODERATOR PIN (Leader Code) number FOLLOWED BY THE # SIGN”**.**
- 5. You will join the phone meeting muted after entering the leader code and # sign. Press *1 to unmute yourself and then introduce yourself as the Secretary/Chair of the meeting. **Press *0 for a menu of all features.****

Probably one of the most important services you can give as the Secretary/Chair is **to have the highest sound quality** on the phone bridge system. This means without background noise and weak sound quality. **“Sound”** is all we have for the phone meeting to work.

Background noise can be taken as disrespectful or interruptive while members are speaking. As a trusted servant you can guide the meeting without background noise or interruptions to the best of your ability.

Along with your own skills; here are a few tips and a few pieces of information to help you:

- 1. Technically the phone bridge system is built for **“only” one person** to be unmuted at a time. This of course would include, You **(the Secretary/Chair)** as well as the **Timekeeper** to stay muted by using the ***1 keys**. The timekeeper only unmutes to say “time”. The Secretary/Chair unmutes a few seconds before the member is done sharing to welcome the next share. You can remind the timekeeper to please stay muted except to say “time”. **(Only one line unmuted at a time).****

2. **As the Secretary/Chair** (with the leader code) you **are encouraged to use the *5** to clear the line to address the noise. This ensures that members will be able **to speak so their share can be heard**. Then the member can press the *1 keys to continue sharing without the previous background noise. **We call this “Cycling Through”**. (Most of the time people forget to mute and don't know they are not muted). This can be done by saying **“Excuse the interruption, I'm going to clear the line”** and then **press *5 keys**. You then could say, **“Whoever** was sharing please press *1 and begin again,” or **“Whoever** would now like to share please press *1 to unmute yourself.”
3. **Some meetings have multiple readers. The extra unmuted lines will cause the reading to be heard by some but not by other members. Here are some suggestions.**
 1. **Organize the readers so they know the order they will be reading.**
 2. **Then tell the rest of the readers to mute until a few seconds before it is their turn to read.**
 3. **After each member reads remind them to mute again.**
 4. **(AS A Rule of Thumb), just because you can hear does not mean that other members can. These phone meetings have global coverage. Not all phones have equal sound. Only one line unmuted at a time will keep a clear worldwide phone line for everyone during the meeting.**

These 4 technical points can promote safety, warmth and recovery similar to face to face meetings. This was written to assist you to know and understand the phone bridge technical features.

Thank you for taking the time to read these suggestions. **If you need help, just ask. Congratulations on doing service and beginning the flow that opens our heart to what it already knows---that we all need each other.**

**Sincerely,
Your Web Coordinator**
